

COMBINATION
LIESKAMP-EDER

This DELBAR-AARDEN-JANSSEN family has been a major player of the long distance game in Holland for the past 45 years.

We were very fortunate to acquire the entire stock and racing loft in 2006. NOW for the first time, these birds will be available through Stonehedge Lofts.

Imagine the opportunity to own birds with a piece of history, birds bred directly from the source - Maurice Delbar, Jan Aarden and the Janssen family of birds. We are bringing this rare opportunity to you, through a series of Auctions across North America!

This Delbar-Aarden-Janssen based line has been cultivated by Lieskamp Eder for the past 45 years. Their personal friendship with Maurice Delbar since allowed them to have the pick of what some consider the greatest long distance pigeons in the world. They took advantage of this opportunity by acquiring from only the best breeders.

Janssen's best, and Jan Aarden's best were the key combination.

Right from the beginning, the results of this winning combination showed the racing pigeon fancy in Holland, that this combination (LIESKAMP-EDER) would dominate for many years to come.

They have remarkable results at the Combine level with:

- 5 x 1st Generaal Kampioen "King of the Union"
- 2 x 2nd Generaal Kampioen "King of the Union"
- 1 x 3rd Generaal Kampioen "King of the Union"
- 1 x 4th Generaal Kampioen "King of the Union"
- 1 x 1st Generaal Kampioen "King of the Union"
- 1 x 2nd Generaal Kampioen "King of the Union"

Competing against approx. 20,000 members at Federation level these results are astounding:

- 2 x 1st Generaal Kampioen
- 1 x 1st Superfond (extreme long distance)
- 2 x 2nd Generaal Kampioen
- 1 x 3rd Generaal Kampioen
- 1 x 4th Generaal Kampioen
- 1 x 5th Generaal Kampioen

Lieskamp-Eder have won major championships in Young Birds, competing against 650 to 20,000 members in the short, middle and long distance races.

OLD BIRD RESULTS

Note: In order to win ALL AROUND CHAMPION, not only must you place well in the long end races, you also have to win in the short distance, middle distance and young birds.
